

# Standard Operating Procedures

---

To help streamline our communication and deliver quality assistance, we have created the following standard operating procedures (SOPs) for our support, billing, and sales departments.

## 1. Account Creation and License for New Property:

Things to note while filling out DGF:

- Commercial: Subscription, Ultimate, NextGen OR Demo
- Partner Discount (as per agreement with eZee): If entered incorrectly, the property will be locked and the invoice will not be issued.
- Bill To Address
- If the property is on demo, then select the account type as a demo, the account will be locked in 14 days
- After Account creation invoice will be raised in 2 working days as per the commercial mentioned in the prospect that you have put during the DGF creation.
- After account creation and before an invoice is raised, if you want to change the commercial you can edit the DGF and regenerate the prospect.

In case of exceptional situations or any concerns email at [partnersupport@ezeetechnosys.com](mailto:partnersupport@ezeetechnosys.com).  
(Response SLA: 24 Working Hours)
